### Report a Coyote Sighting

Coyote sightings are now being tracked both by calls taken by the Brookline Police Department, as well as a new web form.

[Click Here to Report a Coyote Sighting using the new web form](#)

**NOTE:** Reporting a sighting using this web form does NOT initiate a police response. To report a threat or obtain police assistance, please call the Brookline Police 24 hours a day at (617) 730-2222.

Click the links below for further coyote-related information.
